

MR2663-71

Appln. No. 10/671,659

Reply to Office Action dated 2/1/2005

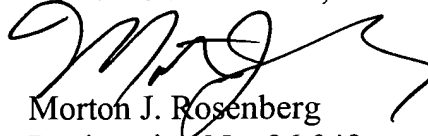

Remarks/Arguments

This case has been reviewed and analyzed in view of the Official Action dated 1 February 2005. In the Official Action, the Examiner has found six inventions, namely, Group 1 directed to the Species of Figs. 1-7; Group 2 directed to the Species of Figs. 8-12; Group 3 directed to the Species of 13-17; Group 4 directed to the Species of Figs. 18-23; Group 5 directed to the Species of Figs. 24-27 and Group 6 directed to the Species of Figs. 28-31. The Examiner has required Applicant to chose one Species for further prosecution.

By this Amendment, Applicant elects Group 4 directed to Species 18-23 and further Applicant believes that Claims 12-16 read on this Species.

It is now believed that the subject patent application has been placed in condition for examination and such action is respectfully requested.

Respectfully submitted,
FOR: ROSENBERG, KLEIN & LEE
